As a result of a request for information that I made to BPC on 10th August 2023, (response received 15th September), it became apparent that Cllr Brenda Graham had forwarded a copy of an email I had sent to her to YLCA without redacting my personal information. The date of this was 3rd July 2023.

I raised this matter with Parish Council during it's September Meeting Public Open Forum but unfortunately have received no feedback from Council on this matter.

I believe that the actions of Parish Council have breached Data Protection legislation by sharing my personal information with a third party without my prior consent and therefore require Badsworth Parish Council to deal with this matter through it's formal complaints process.
